

3.2.10 The institution evaluates the effectiveness of its administrators on a periodic basis.
(Administrative staff evaluations)

Off-Site Committee Comments

The institution clearly has a policy (ePolicy 607.16) which mandates the annual evaluation of administrators. Its documentation includes a sample of the form which is to be used for such evaluations. Although the narrative indicates that these evaluations are maintained in the offices of the Executive Vice-Chancellor/Provost and senior vice chancellors, the actual documentation does not offer evidence that the evaluations are performed.
