

A scenic view of a university campus. In the foreground, a pond features a large, active fountain spraying water upwards. The water reflects the sky and surrounding greenery. In the middle ground, a long, single-story brick building with a grey roof spans across the frame. The building has several windows and a central entrance. The campus is lush with green grass, various trees, and shrubs. The sky is blue with scattered white clouds. The top of the image is framed by large, dark green leaves, likely from an oak tree, which partially obscure the sky and the top of the building.

TROY UNIVERSITY

Dear Future Trojan:

Thank you for your interest in Troy University. For more than 30 years, the Phenix City Campus has taken great pride in providing quality education with a unique focus on working adults in the Chattahoochee Valley Region.

At our campus, you will find a modern, global university with a small-college atmosphere. You will attend classes where professors know your name and where staff members place your needs first. You will become part of an educational tradition of the highest quality.

This viewbook is an excellent overview of our Phenix City Campus. Enjoy reading about our campus, then come and experience Troy University for yourself.

Sincerely,

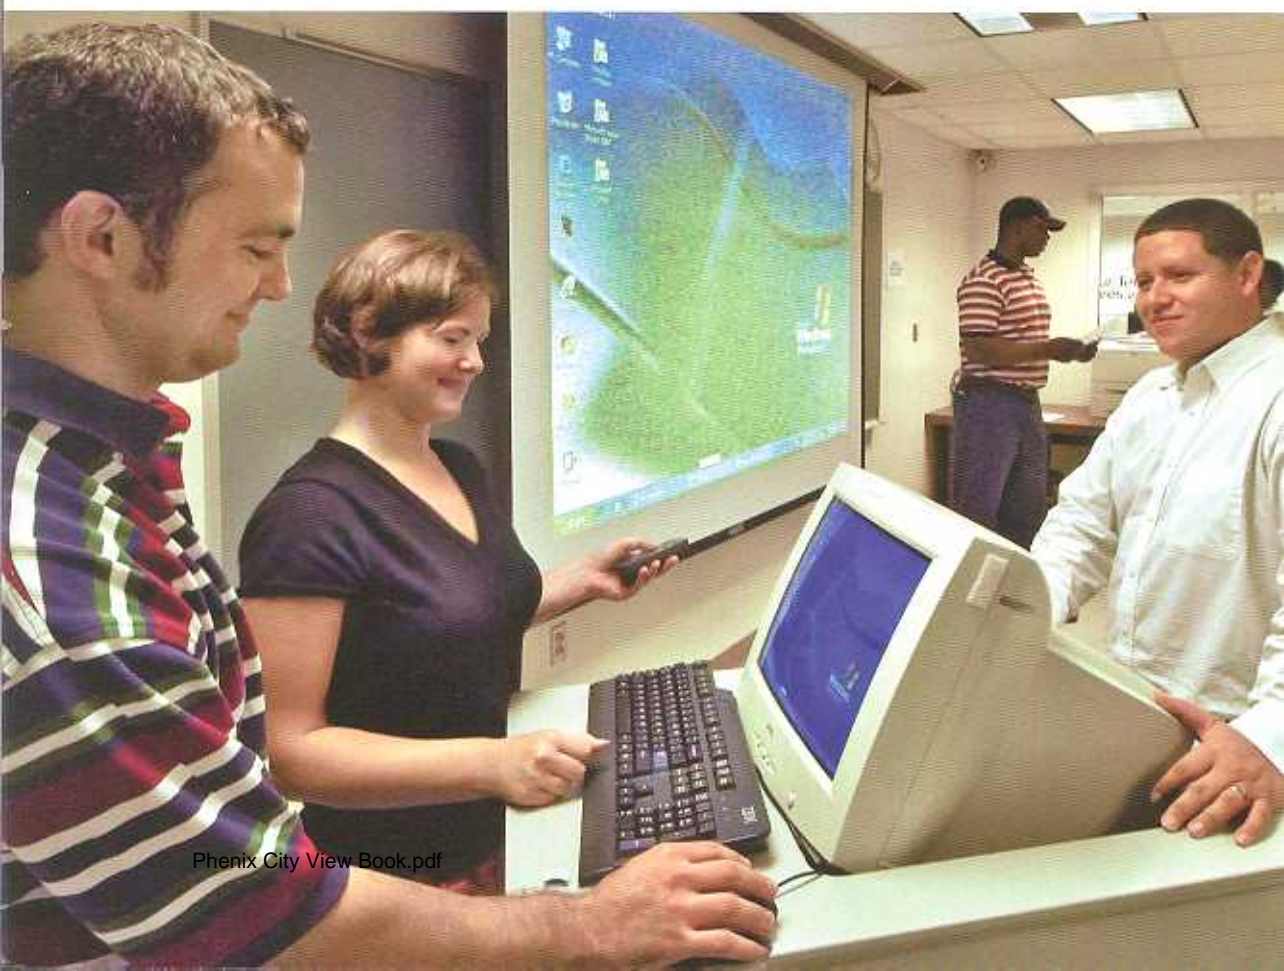

A handwritten signature in black ink, which appears to read "Jack Hawkins, Jr.". The signature is stylized and fluid.

Jack Hawkins, Jr., Ph.D.
Chancellor

The average age of a Phenix City student is 32 years old.

Life can be demanding, particularly for students who also balance full-time careers and family commitments. At TROY, we understand the challenges that face non-traditional students. TROY is ready to meet your needs, whether you want to work on a new degree, enhance your career or complete a degree that was interrupted.

Adult students are among the most successful on campus, and your "life experiences" give you a competitive advantage compared to other students. At TROY, we believe your educational goals *can be* balanced with a demanding career. We look forward to meeting and exceeding those goals. Your success is our number one priority at TROY.

Established in 1975, the Phenix City Campus has been meeting the educational needs of the Phenix City, Alabama and Columbus, Georgia regions. Our campus is set on a picturesque setting conveniently located just off Highway 431.

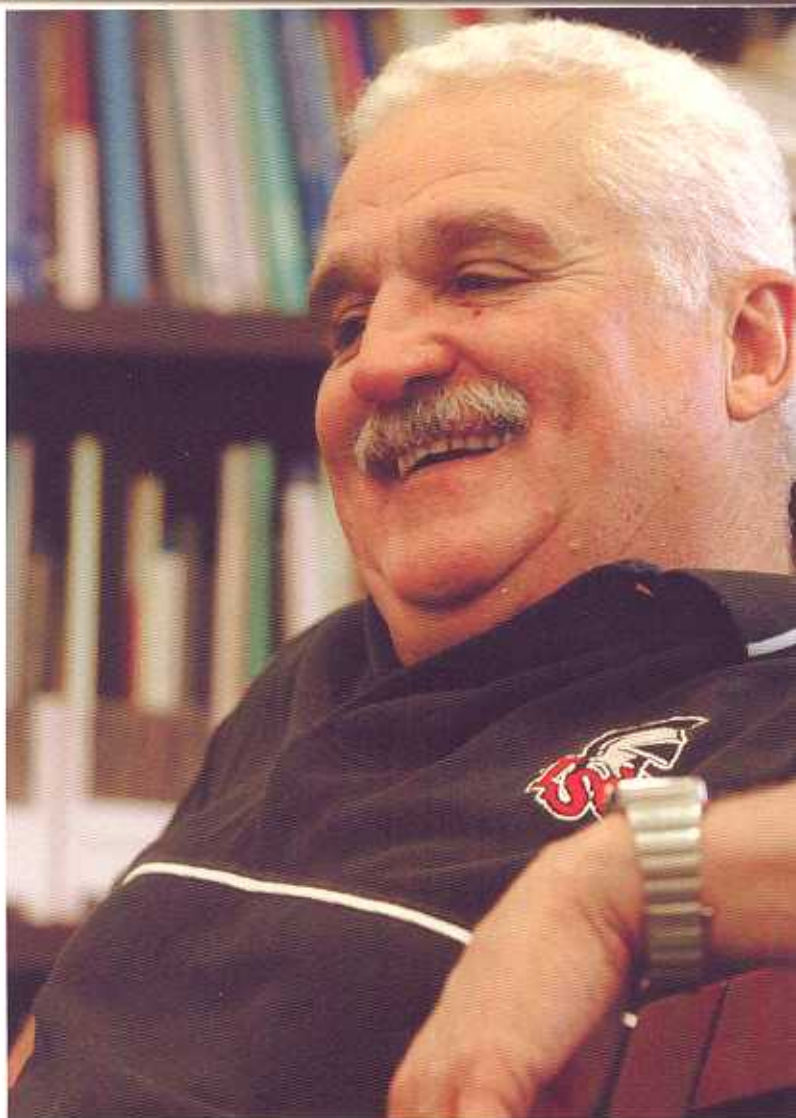

Did you know residents from 19 Georgia counties qualify for in-state tuition?

Classrooms are equipped with the latest technology and students find state-of-the-art labs, along with exceptional library facilities:

The
Phenix City
Campus has a
1 to 24 faculty
to student
ratio.

STUDENT-CENTERED CAMPUS

Flexible scheduling is our campus trademark. Students can take classes during the day, in the evening, on weekends or via Live-Class-On-Tape. Our unique blend of classes and schedules complements the lifestyle of our busy students.

The Student Services Department is located on campus and is always eager to help with questions from TROY's degree programs to our registration procedures. Academic advisers are also assigned to each individual student to provide more personal attention and to assist in program advising and academic mentoring.

As of
2005, there
are more than 7,243
Phenix City
alumni.

FINANCIAL AID

Troy University uses all available funds to help students gain access to a college education. TROY recognizes that many individuals are simply not able to meet the entire cost of a college education. Therefore, we have a number of programs that can provide students with supplementary funds to help offset these expenses. The TROY financial aid application is online. Visit our Web site at troy.edu, click on Financial Aid.

The following Georgia counties are approved for Alabama in-state tuition rates: Chattahoochee, Clay, Heard, Harris, Macon, Marion, Meriwether, Muscogee, Quitman, Randolph, Schley, Stewart, Sumter, Talbot, Taylor, Terrell, Troup, Upson and Webster.

In 2005,
the Phenix City
Campus awarded
\$116,000 in
scholarships.

"Many of my family members graduated from TROY with degrees in education. I am hoping to follow in their footsteps and do the same."

Janifer Morgan
Elementary Education Major
