Troy, AL 36082

Dear Jack:

Thank you for two recent letters regarding change at your institution. You wrote on December 14, 2006 (received in our offices on January 8, 2007), to notify the Commission that the regional office for the Western Region for University College of Troy University is located at:

8610 Explorer Drive, Suite 101
Colorado Springs, CO 800918

This is a non-teaching site with administrative offices only. We shall add this information to our files.

Your letter of January 4, 2007 (received in our offices on January 18, 2007), provided additional information to support the proposed Master of Science in Management to be offered in Tifton, Georgia, and Charleston, South Carolina. The information satisfactorily addressed our questions regarding faculty member qualifications. We approve the proposals, shall include them within the scope of accreditation previously granted, and wish you and your colleagues much success in these new ventures—and the happiest of new years!

Best regards,
