Introduction to the TROY Online Institutional Planning and Effective System (OIPES)

Dr. Angie Roling, Associate Vice Chancellor for IRPE
Dr. Bai Kang, IRPE Coordinator, Dothan Campus
Mr. Dan Tennimon, IRPE Coordinator, Montgomery Campus
Institutional Research, Planning, & Effectiveness (IRPE)
April 2006
Goals of the OIPES Introduction

- To introduce the overall OIPES process
- To provide Guidelines for online entry of Expected Outcomes & Student Learning Outcomes by:
  - Demonstrating how to login to the Online Institutional Planning & Effectiveness System (OIPES) and
  - Demonstrating how to load the Outcomes into the OIPES
Online Institutional Planning and Effectiveness System (OIPES) Modules

TROY Strategic Plan
(Includes TROY Strategic Initiatives and Objectives to 2010)

Institutional Effectiveness (PER)
(Includes Expected & Student Learning Outcomes with Assessment Measures & Annual Assessment of Outcomes)

Annual Plan
(Includes College/Division Plan, TROY Annual Plan, and Selected Objectives from the Strategic Plan)
Phases in the OIPES

- **Phase I (Today’s Goal): Enter Expected Outcomes** into online system (Jan. - April 06)
- **Phase II: Plan & Budget**
  - Enter TROY Strategic Plan into online system (Was done in March 06)
  - Develop and enter College/Division Plans & TROY Annual Plan (April – May 06)
  - Budget for plans (May-July 06)
- **Phase III: Implement** Plans with regular progress reports and accumulate data to assess Expected Outcomes & SLO annually in Program Effectiveness Reports (PER) (August 06-July 07)
- **Phase IV: Evaluate** Plans and PER (Sept.-Nov.)
- **Phase V: Report achievements** based on assessment of Plans—Strategic & Annual (TROY & College/Division) & Program Effectiveness Reports (PER) (Nov.-Dec. 07)
To Accomplish Phase I: Enter Expected Outcomes into OIPES

- We will now provide guidance for online entry of Expected Outcomes & Student Learning Outcomes into the OIPES:
  - You will learn how to login to the Online Institutional Planning & Effectiveness System (OIPES) and
  - You will learn how to load the Outcomes into the Online Institutional Planning & Effectiveness System (OIPES)
Are there Questions about OIPES?
