PRELIMINARY CONSIDERATIONS FOR CHANGES IN TROY UNIVERSITY UNDERGRADUATE ADMISSION REQUIREMENTS

**Unconditional Admission Requirements:**

19 ACT/ 910 SAT (18/870 Current)
Grade Point Average – 2.00

**Conditional Admission Requirements:**

ACT/SAT less than 19/910 but at least 16/780 (15/740 Current)
Grade Point Average – 2.50 (2.30 Current)

Justification for raising the floor (15/740): 36 students admitted at T01 for Fall 05 with 15 or 740 did not return for Fall 06.

**Unclassified Admission:**

Maintain “Unclassified” status based on information compiled by University College:

**Since August 2005:**

Number of students receiving “Unclassified” status: **4519**

- Of this number, 949 (21%) never enrolled
- Of this number, 3570 (79%) enrolled
- Of this number, 59 (2%) have graduated to date
- Additionally, 351 of those granted “Unclassified” have not enrolled beyond the two terms granted under “Unclassified”; 3160 have cleared to conditional or unconditional status.

Troy, Dothan, and Phenix City do not utilize the “Unclassified” status.

These changes are preliminary pending a final data analysis of how the proposed increase would have affected those admitted for Fall 2005. Results of the data will be available by January 10, 2007.

A recommendation is due to Dr. Schmidt by Friday, January 12, 2007.
