Course Number: CP 6638 & CP 6639
Course Title: Internship: Student Affairs Counseling
Semester Hours: 3

Pre-requisites:

Approved Delivery Models:
Course delivery is restricted to approved models. Additional models may be submitted for review through the College of Education Process.

Catalog Course Description:
This course provides supervised student affairs counseling experiences in the college environment. The experience is accompanied by scheduled on-campus supervision with the university supervisor. Internship equals 300 clock hours, to include 120 hours of direct student affairs service.

Goals and Objectives:

1. Complete 600 clock hours with a minimum of 240 direct service clock hours.
2. Receive direct individual and group supervision from faculty and on-site supervisor.
3. Demonstrate appropriate counseling skills in working with college students to promote social, personal, academic and career development.
4. Acquire experience in program development and coordination in one or more areas of student affairs in the college/university setting.
5. Acquire leadership, decision-making conflict resolution skills to be effective in assisting college students.
6. Gain experience with direct and indirect services provided by student affairs personnel.
7. Increase knowledge of technology as utilized in student affairs programs.
8. Demonstrate effective interpersonal communication skills for work with students, faculty and parents.

Approved text:
Other materials:
Audio and/or video tapes and recorder/players.

Content:
The student affairs counseling internship experience includes a total of 600 hours if individual counseling and group counseling experience, as well as supervisory experience. Two hundred and forty (240) clock hours of supervised, direct service work in individual and group counseling with students attending post-secondary institutions is required. Supervision of this experience will be provided by an on-site student affairs counselor/ supervisor, and a student affairs counselor program faculty member. The on-site supervisor must have two years of experience.

Method of Instruction:

Laboratory Experiences:
See content section.

Evaluation:
In addition to completion of required hours of direct and indirect service, students must satisfactorily pass the clinical experiences as documented by both the on-site and faculty supervisors.

Grade is Pass/Fail.

Additional Services:

AMERICANS WITH DISABILITIES ACT: Students with disabilities, or those who suspect they have a disability, must register with the Disability Services Coordinator in order to receive accommodations. Student currently registered with the Disability Services Office are required to present their Disability Services Accommodation Letter to each faculty member at the beginning of each term. If you have any questions, contact the Disability Services Coordinator.

Academic Misconduct:
Students should refer to the Standards of Conduct section of the Oracle, the student handbook for policies regarding misconduct.
