## MEMORANDUM OF UNDERSTANDING

Between

Auburn University  
Auburn University at Montgomery

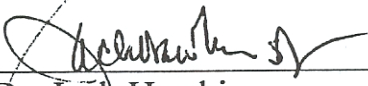

and

Troy University

It is agreed that Troy University (TROY) will offer NSG 6671 Advanced Pathophysiology (3 SH) and NSG 6692 Data Analysis Techniques in Research (2 SH) in fall semesters and an interdisciplinary elective course in the Auburn University/AUM Joint Master of Science in Nursing program. Troy University need not create courses solely for AU/AUM students. AU/AUM will encourage its students to take the interdisciplinary elective at Troy. AU/AUM and Troy will conduct periodic logistic, pedagogical and financial assessments of this arrangement.
