I checked with Dr. Echord this morning about this. She has forwarded your materials for
the review to the designated department chair and he is currently completing his review.
As soon as this review is completed, Dr. Echord will let you know. I've asked Dr. Echord to
include me in her correspondence when she lets you know.

Best wishes,
Dr. Fulmer

I have discussed the email below with Dr Echord. It is my understanding that you have sent to her your formal appeal of the grade you received in COM 1110. It is also my understanding that Dr Echord is addressing your appeal through the University's prescribed process and that she will be in touch with you at the conclusion of the next stage of her review. From my conversation with Dr Echord, I believe that the next stage of your review should be addressed during the upcoming week.

Thank you for your patience and for following the University's policy regarding a formal grade appeal.

Sincerely,
Dr Hal Fulmer
Associate Provost and Dean of Undergraduate Studies

I have received the Interim Chair's response to your grade appeal. According to the Michael Orlofsky, Interim Chair of English, a grade change is not justified based on the documents that you provided. All documents that you provided were sent to Dr. Orlofsky. The grade will stand. This ends the grade appeal process. If you have additional questions, please review the Grade Appeal process on page 17 of 2007-2008 catalog.
