April 15, 2008

Mr. [Name]  

Mr.  

Per our discussion on April 14, 2008, you are hereby placed on an immediate temporary suspension from the University. This action comes as a result of your arrest for felony possession of cocaine and misdemeanor possession of marijuana and paraphernalia. Due to the seriousness of these offenses, you are being suspended immediately. Your actions not only violate the law, but also the University Standards of Conduct as found on page 42 of The Oracle.

Before returning to the University, you must appear before the Student Services Judicial Committee to answer the specific charges of student misconduct. You may request this hearing through my office. You will not be allowed to return to the campus for any reason without appearing before this committee. If you have any questions concerning this action or the judicial process, please let me know.

Sincerely,

[Signature]  
Herbert E. Reeves  
Dean of Student Services

Mr.

This is to inform you of the results of the hearing conducted by the Student Services Judicial Committee on April 17, 2008, in reference to the following charges. Specifically, your actions violated #7 of the “Standards of Conduct” as found in the student handbook, The Oracle. It states:

7. Unauthorized manufacture, sale, delivery, use, or possession of any drug or drug paraphernalia defined as illegal under local, state, or federal law.

After consideration of the evidence presented, it is the ruling of the Committee that you are responsible for the charges. It is the judgment of the Committee that:

1. You be suspended from Troy University, effective immediately, through the end of summer 2009. You will be eligible to return to the University fall semester 2009.

2. Upon your return, you must provide written proof showing completion of an in-patient drug rehabilitation program.

3. Upon return, you will be placed on probation for the remainder of your time at the University.

Any decision of this decision must be in writing within five (5) days of the date of this letter, stating the reason for the appeal. Appeals are made through the Senior Vice Chancellor for Student Services. Appeal procedures are found on pages 46-49 of the 2007-2008 TSL Oracle (a copy of these pages is enclosed).

Sincerely,

Herbert Reeves
Dean of Student Services

cc: Dr. Richard Federinko, Senior Vice Chancellor, Student Services/Administration
