TROY is dedicated to assisting our military and non-traditional college students.

Internet Courses
Continuing Education
Evening and Weekend Courses
Convenient Online Student Services

Troy University's online programs are an important and growing part of the University's mission. TROY's eCampus offers a variety of courses and degree programs that you may complete entirely online. These programs enable any student, regardless of age or location, to earn an accredited college education. eCampus provides direct support to distance learning students by creating, promoting and constantly evaluating our courses and degree programs.

Several course delivery methods are used to reach students around the world. Our web-based courses are delivered through the BlackBoard Courseware Management System™. By using the system, students may complete course work at anytime day or night, from military bases and civilian sites overseas to your living room and 65 locations in between. We also utilize other technologies such as video teleconferences to deliver courses to our students. These are just a few of the ways we make it convenient for you to get the individual attention you need to achieve your dreams. Whatever and whenever they are.

Congratulations on your pursuit of higher education!

Troy University is accredited by the Commission on Colleges of the Southern Association of Colleges and Schools to award associate, bachelor's, master's and education specialist degrees. Contact the Commission on Colleges at 1866 Southern Lane, Decatur, Georgia 30033-4097 or call 404-679-4500 for questions regarding the accreditation status of the institution or if there is evidence that appears to support Troy University's significant non-compliance with a requirement or standard.
