TURN PUBLIC SCHOOLS INTO INSTITUTIONS OF HIGHER EDUCATION.

TROY’S MASTERS AT WORK PROGRAM, PROVIDES BETTER QUALIFIED TEACHERS FOR YOUR STUDENTS.

Troy University is ready to bring advanced education into your schools. The Masters At Work program helps teachers earn their master’s degrees, and elevates the quality of education in your schools. Troy’s professors come to your schools and teach after work. Classes can also be completed online. Most importantly, your teachers will earn their master’s degrees with the support of their peers.

Ultimately, you have a group of better-educated teachers who elevate the quality of education in your school. Call for information today.
