HELP THEM ADVANCE THROUGH THE RANKS

Employees are your greatest asset. Invest in one of your most valuable resources by challenging your employees to better themselves and, ultimately, your productivity.

Built on a 100-year tradition, Troy University has actively supported the military community for many years. The U.S. Army has created one of the most innovative programs for higher education in the world - GoArmyEd/eArmyU. By offering flexible and convenient educational opportunities through innovative teaching methods and cutting-edge technology, TROY empowers GoArmyEd/eArmyU, military, traditional and nontraditional students to reach their academic goals by removing accessibility, geography and time concerns.

TROY offers an extensive selection of undergraduate and graduate degree programs in the high-demand disciplines of business, computer science, political science, social science, criminal justice and healthcare. Our degree programs are offered online through eCampus, our Distance-Learning Programs, and on-site at bases and civilian sites throughout the U.S. and worldwide.

Troy University is your education partner – locally and around the world. Make this the first day in accepting the challenge. Choose from our variety of degree programs, offered at affordable tuition rates, and apply today.
