Chancellor  
Troy State University  
216 Adams Administration Building  
Troy, AL 36082

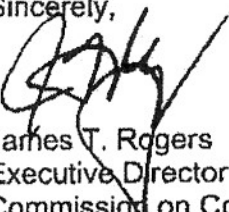

Dear Dr. Hawkins:

The following action regarding your institution was taken at the December 2004 meeting of the Commission on Colleges:

The Commission approved the consolidation/merger of Troy State University Troy with Troy State University Dothan and Troy State University at Montgomery, pending final approval by the Board in August 2005. The Commission authorized a substantive change committee to visit the newly-merged institution in fall 2005. In accordance with Commission policy, the new institution, Troy University, will be reaffirmed in 2009, five years after approval of the consolidation/merger.

We appreciate your continued support of the activities of the Commission on Colleges. If you have questions, please feel free to contact me.

Sincerely,

  
James T. Rogers  
Executive Director  
Commission on Colleges
