Welcome to eCampus! We have received your application to Troy University for the *PROGRAM*. You have been assigned student identification number *ID#* and a Home Location of *LOC*. For admissions your contact person is *Debbi DeVenture* (*ddeventure@troy.edu*).

In order to process your application, we need a copy of your degree completion transcript to determine your eligibility to Troy University. Once this document is received, you will be temporarily admitted. Your unofficial transcript can be scanned and emailed to me or faxed to my attention at 850-863-2702.

Official transcripts from all colleges/universities attended, your official test scores and letter of recommendation are required to be officially admitted to the University. Official transcripts and test scores must arrive in a sealed envelope from the issuing institution and cannot be stamped issued to student. You will have a hold placed on your account if all official transcripts (including Community College of the Air Force) are not received by the end of your first term of enrollment. Students who have a Master’s degree from a regionally accredited institution do not have to provide test scores or a letter of recommendation.

Please have official transcripts mailed to:
