Dear Jack:

Thank you for two recent letters, each dated September 24, 2008, notifying the Commission of program changes at Troy University.

- The University plans to offer the MBA at the approved Fort Carson site in Colorado Springs, CO as of March 16, 2009. Since this is an approved program to be offered at an approved site, I accept the notification and require no additional information from you.
- The University is no longer offering any academic programs in Hong Kong, China. All students at Troy University in Hong Kong completed their work in Term Four of 2003. I accept the notification and require no additional information.

Best regards,
